Mr. Robert R. Simmons
 Staff Director
 Senate Select Committee
 on Intelligence
 U. S. Congress
 Washington, D.C. 20510

Dear Mr. Simmons:

On behalf of the participants in the Executive Development Program, I would like to thank you for the Congress and CIA session on 19 September. Your perspective on how the Senate Select Committee on Intelligence functions and some of the political dimensions in dealing with the Agency and its accounts was quite candid and created a good environment for interactive discussion. The class attained a sense that well-informed and dedicated people are responsible for the oversight function.

We appreciate the time and effort you expended on behalf of the Course and will welcome your participation again in the program.

Sincerely,
